Petition to Minister Stockwell Day

We, the undersigned, residents of the Province of British Columbia, are seriously concerned that criminals can escape prosecution for the crimes they are charged with by simply leaving the jurisdiction where an arrest warrant has been issued.

Therefore, we request the Minister of Justice and Attorney General of Canada, Robert Nicholson, to work together with the Provincial Attorneys General and implement a consistent and cooperative plan for the timely arrest, detention and return of criminals with outstanding warrants to the jurisdictions in which their crimes were committed, and that the appropriate cost sharing mechanisms be established to ensure consistency in Canada.

We ask further that our municipal, provincial and federal governments support this initiative on behalf of all Canadians.
